

Tea...A Growing Tradition

February 2016

The Tea Economic Development Corporation (TEDC) is a non-profit organization, founded in 1997, with a goal of bringing businesses to Tea, creating jobs, support existing businesses and making the city a better place to visit, work and live.

Our development group, governed by nine volunteer board members, is funded by its members and the City of Tea. We facilitate in the recruitment of new businesses but also function as a chamber of commerce providing information to residents, sponsor ribbon cuttings, develop the Tea Community Guide, sponsor Tea Bucks, promote current businesses with our Buy Local Campaign, hold membership mixers and have an annual banquet where members receive voting rights.
