City of Tea Regular Meeting August 1, 2016

A regular meeting of the Tea City Council was held at Tea City Hall on August 1, 2016 at 7:00 p.m.

Mayor John Lawler called the meeting to order at 7:01 p.m. with the following members present: Sidney Munson, Brian Fowlds, Joe Weis, Larry Rieck and Todd Boots. Also present: Finance Officer Dawn Murphy, Utility Superintendent Thad Konrad, Planning & Zoning Administrator Kevin Nissen, Police Chief Jessica Quigley and City Engineer Ben Scholtz. Administrative Assistant/Economic Development Director Jenni White and Councilmember Chuck Ortmeier were absent.

AGENDA. MOTION 16-139. MOTION by Fowlds, seconded by Boots to approve the August 1, 2016 agenda. All members voted AYE.

MINUTES. MOTION 16-140. MOTION by Weis, seconded by Fowlds to approve the July 18, 2016 minutes. All members voted AYE.

WARRANTS. MOTION 16-141. MOTION by Rieck, seconded by Fowls to approve the warrants as presented. All members voted AYE. Warrants will be listed at the end of the minutes.

ALCOHOL LICENSE. Mayor Lawler opened the public hearing for a new Package (off-sale) Liquor License. There were no comments for or against the license. **MOTION 16-142. MOTION** by Fowlds, seconded by Boots to approve a new Package (off-sale) Liquor License for Dan Decker, d/b/a Liquor Express, 112 E. 1st St. Lots 3 & 4, Block 1, Hagemeyer Add., limited to the portion of the building labeled 112 E 1st St. Members Munson, Fowlds, Weis and Boots voted AYE. Member Rieck voted no. Motion carried.

1ST READING OF ORDINANCE 234. Mayor Lawler opened the public hearing for Ordinance 234 for the rezoning of lots 4A, 5A 7, 8 & 9 in Zelmer 2nd Addition from Central Business to Multi Family. Lloyd Companies would like to construct 4 apartment buildings (60 units) and 9 garage buildings (54 stalls) on the property. There were some concerns with onsite parking. A few residents attended the planning and zoning public hearing with concerns with windows facing their property. Lloyd Companies will look at the window placement and possibly adding additional trees on the west side. Second reading will be held at the August 15 meeting.

WEISER BUILDING PLANS. At the July 18 meeting, there were discussions with Weiser Distributing regarding purchasing land from the City so they could expand their building to the south. Councilmembers looked at the site after the last meeting and it was the consensus that the City and economic development would try to work out a deal to sell approximately 23 feet.

MUSEUM FOUNDATION. The report has been received from Rise Structural Associates Inc. on the museum foundation. The report found that the original stone foundation is in fair condition and is functioning adequately. There are a few locations were the joints between the stones are cracked and the foundation has bulged slightly outward. It is their opinion the stone foundation is not at the state where failure is considered imminent. The concrete basement walls are in good condition and the wood frame construction appears to be in generally good condition. They recommended patching the cracked and broken joints, filling in the gaps between the foundation and sill plate and patching the hold through the foundation wall. Thad will work on making the repairs.
