Tea Parks & Recreation 2025 Review

- Over the past three years, we have doubled the number of youth programs offered and tripled the number of adult league programs. In 2025, we added a Youth Fishin' Derby at Tea City Park and launched a new Adult Summer Outdoor Pickleball program.
- We received a \$3,000 grant from the Lyon County Riverboat Foundation, which was used to update and add new equipment to the batting cages at the Tea Athletic Complex.
- In 2025, we had a total of 1,980 participants—the highest participation in Tea Parks & Recreation history!

To enhance the gratification of your sponsorship journey, we recommend opting for annual commitments. By securing your sponsorship well in advance of each event, you unlock the full spectrum of benefits we provide.

Your support continues to make a meaningful impact, helping us provide programs that benefit both the Tea community and our surrounding communities. We eagerly anticipate the opportunity to collaborate with you in curating an exceptional sponsorship experience. We sincerely hope you contemplate joining forces with us.

The Tea Parks and Recreation Department will provide a donation invoice if requested.

Thank You for Your Consideration,

Jake Kerr, Parks and Recreation Director
