## Keeping Our Veterans In Our Memory

Tea is constructing a Veterans Memorial to honor and forever remember both our living and deceased Tea Area Veterans. As citizens of this great country, we have an enduring responsibility and obligation to show our gratitude to all the men and women who have served and sacrificed so much on our behalf, to protect and defend our country and the precious freedom that we enjoy.

Tea can take great pride in the patriotism that has been displayed over the many years, with so many of our men and women bravely serving in the military. We want to ensure that our Veterans are never forgotten and forever appreciated.

We are grateful to the City of Tea for the donation of land. The remaining project will be funded by donations from individuals, businesses, organizations, and families from our area.

We invite you to please give this Veterans Memorial project your careful consideration that would hopefully allow you to make a generous contribution toward its completion.

On behalf of all our area Veterans we thank you for your support.

### **Location**

The Memorial will be located on the corner of S. Main Ave. and E 3<sup>rd</sup> St.

### **Fundraising Goals**
